

ADDITIONAL RISK DISCLOSURE STATEMENT

Dear Sir or Madam:

As a result of the following information on your account application, RJO is providing you with their additional risk disclosure before you open an FX trading account:

- _____ Your annual income is less than \$25,000
- _____ Your net worth is less than \$25,000
- _____ You are not between 21 and 65 years of age
- _____ You do not have at least six months of FX investment experience

While R. J. O'Brien is prepared to open your account, it is required to advise you to consider the risks involved with trading FX. The risk of loss in trading FX can be substantial and may be inappropriate for you for the reason checked above; therefore, you must consider whether such trading is proper in light of your financial condition. Only Risk Capital (money that you are able to lose without adversely affecting your standard of living) should be invested. RJO recommends that you review the Risk Disclosure Statement in the customer agreement and/or discuss any concerns with your broker or other financial advisor before finalizing your decision.

ACKNOWLEDGEMENT

I understand that the risks associated with FX trading may not be appropriate for me. However, I have read the Risk Disclosure Statements and I have considered the financial risks involved in FX trading with regard to my financial condition, and I wish to proceed with opening an account.
